**ACH PAYMENT

IS HERE!**

- If you're approved for payment by check, you are qualified to pay by ACH
- No more hassle of leaving checks - drive cars away now and pay later
- No checks necessary - payments processed electronically
- ABS will treat ACH transactions the same way we do checks
- You will be notified the day your title arrives and we will ACH your account the next day
- Same payment system we have always had except now you can pay by ACH instead of checks
